Nissan Altima The
Nissan Altima is a mid-
size car manufactured
by Nissan, and is a
continuation of the
Nissan Bluebird line,
which began in 1957. It
is the #1 selling Nissan
model. It has
historically been larger,
more powerful, and
more luxurious than
the Nissan Sentra but
less so than the Nissan
Maxima.

The factory service manuals (I have mine for the 2006 year Altima which is well over 2500 pages) are a joke. I hope the Nissan technicians don't have to work from them. They have their own separate on line manuals which I hope are a lot more detailed than the factory service manuals that Nissan sells to the public.
