The Federal Aviation Administration (FAA) has published the Private Pilot - Airplane Airman Certification Standards (ACS) document to communicate the aeronautical knowledge, risk management, and flight proficiency standards for the private pilot certification in the airplane category, single-engine land and sea; and multiengine land and sea classes.

Private Pilot – Airplane

More than a set of rules for creating a well-formatted document to be published in a journal, the ACS Guide to Scholarly Communication is the go-to tool to help students, librarians, researchers, and educators communicate effectively and make their research stand out. "I found this to be a great introduction to all aspects of digital data.

ACS Guide to Scholarly Communication (ACS Publications)

A good study guide to test your knowledge and give direction to your studying. Saying that, if you have a great chemistry teacher and feel comfortable with your knowledge, it isn't worth it. My teacher left my entire class feeling unprepared and there was a huge difference in the grades of those who bought this guide and those who didn't.

Preparing for Your ACS Examination in General Chemistry ...

The ACS publishes a study guide (ISBN 0-9708042-0-2) that is available in the bookstore: Preparing for Your ACS Examination in General Chemistry. It contains 10 chapters organized by topic that cover both CHEM 1211 and CHEM 1212 material.
