### Alone with Others: An Existential Approach to Buddhism ...

Alone with Others Quotes Showing 1-29 of 29. "Patience is the specific antidote to anger and hatred. It is an attitude of accepting both the harm caused by others and the pains and discomforts found in life instead of angrily retaliating against them. Only in the calm afforded by patient acceptance is one able to clearly discern the nature of the situation and proceed to deal with it realistically.

### Alone with Others Quotes by Stephen Batchelor

Being-with-others is an essential structure, restricted to the dimension of possibility; but inthe process of actualization it assumes an existential structure through which we actively participate in the world with others.

### Alone with Others: An Existential Approach to Buddhism ...

'Alone with Others' is a perfect title for his thesis but it is one that could justify an detachment from other people. The main feature of the Mahayana (Buddhism practiced in Central Asia)in this book's discussion is it's 'cosmic' scope whereas others might say it is it's emphasis on compassion.

### Alone With Others: An Existential Approach to Buddhism ...

In a larger sense, this type of growth revives anxieties about coming of age and separating from our parents. It makes us aware of the existential loneliness of our human existence, each of us separate from others and isolated within our own bodies and minds.

### Alone with Others: An Existential Approach to Buddhism ...

This may sound like a selfish practice, but existential therapists believe it is the healthiest perspective you can take. When you take care of your own needs, you do not have to rely on others totally for contentment. Also, when you feel more satisfied with your life, you become a more genuine and caring person.
