The silver solution uses nano particles and so is far more effective at a lower dosage than colloidal silver. It is very effective against a wide variety of bacteria and speeds healing for cuts and burns. it is effective as a mouth and throat spray. I've used it for thrush in a baby's mouth and to treat pinkeye in a school age child.

The ASAP Solution is the only patented silver product of this kind in the world today. The ASAP Solution is so effective at killing bacteria that even after being diluted to 1/200 of the original 10 ppm level, the ASAP Solution was still able to kill all the bacteria in raw river water in less than 20 minutes.
