## **Slave**

This is the time for vulnerability, empathy and being real. It's time to accept that we are human, not perfect societal beings. By isolating and judging those who are in fear, we're continuing in the cycle of panic buying. Because that's the problem here. Buying toilet paper is just a symptom of the bigger

You would have got yourself a fully trained toilet slave, by now. Important things to follow: 1, Never use any chastity devices on your slave, just tie both his hands and ankles together, instead. 2, Shave off all the hair from his body. 3, Daily let your toilet slave clean himself twice, under your supervision.
