campbell biology 10th edition for sale | eBay

I got the Campbell's 10th edition book from a seller for \$14.20. It is so much better than the e-book I was using before. After reading through the topics on cell reproduction, I realized that the reason I wasn't getting it is because the book I was using skipped over key concepts that the Campbell's book explained, and even separated into chapters what the e-book had covered in a few paragraphs.
