### Forbidden Fruit Paul Kurtz

Dr. Kurtz is a humanist and presents his thoughts and beliefs in "Forbidden Fruit." He present in a straight forward manner how one can and should live as human beings. The book is easy reading and written in a clear manner. He discusses how people can have a moral relationship without belief in God. Good reading.

### Forbidden Fruit: The Ethics of Secularism: Kurtz, Paul ...

While largely a good treatment of the subject, my main problem with this book is that Kurtz writes like a philosopher, while certainly not as arcane as philosophical works tend to be. Forbidden Fruit: The Ethics of Secularism is just as pedantic as one would expect (this is the primary reason for the 3-star rating). He also occasionally falls into the "everyone knows this" trap on a couple of topics, which is unworthy of a seasoned philosopher, in my view.

June / July 2019. To the degree that Free Inquiry has an intellectual platform, moral objectivity has been part of it. In his 1988 book Forbidden Fruit, Paul Kurtz influentially described a humanist morality that is neither the authoritative command of a divine law-giver nor a subjective matter of preference. "Secular humanists hold that ethics is consequential, to be judged by results," declares the "What Is Secular Humanism?" page on the Council's website.
