options to review.

It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Convertible Car Seat review: Graco ComfortSport. The Graco ComfortSport first debuted in 1999 as the Century Accel. Yes, the technology on this seat is that old—why Graco keeps this seat around is puzzling. Yes, it has EPS foam and a front harness adjuster. And since it sells for less than \$100, we can see why folks may be tempted.

It is a little plastic tab that you pull forward to lengthen the harness. For a rear facing seat you can not pull this tab forward unless you unlatch or unhook the seatbelt and pull it away from the back seat.
