**This Homebrewing Historian Is Unearthing Extinct, Old ...**  
As an Austrian, I'm naturally interested in Austrian beer. One of the heritages of Austrian brewing is the Vienna lager beer style, a style that has actually long been forgotten in its country of origin, where the contemporary beer market has been dominated by beers that are almost, but not quite, entirely unlike German and Czech beers.

As a result, German beer history and Austrian beer history are inextricably intertwined. Politically, the stories of Austria and Germany began to diverge only in 1806, when, following a debacle against Napoleon at the Battle of Austerlitz, the last Holy Roman Emperor of the German Nation, the Habsburg Francis II (1768-1835) renounced the crown.
