Love A History Simon May

At the outset of Love: A History, Kings College Professor of Philosophy Simon May states that he has three principal aims: (1) to show how love has become a surrogate for God in the modern era, (2) to outline the illusions of this substitution, particularly the idea that love is unconditional, and (3) to propose a new way of thinking about love unburdened by these illusions (p. 13).

Love: A History: May, Simon: 9780300187748: Amazon.com: Books

In LOVE: A HISTORY, Simon May chronicles the evolution of Love through the ages, from the Hebrew scriptures to the works of well-known philosophers that have influenced and permeated pop culture. He shows the complex tapestry of Love with all its contradictions as the work of many minds over several thousand years and that in the end it's always up to us to come up with our own definitons.

[eBooks] Love A History Simon May

Simon May is not the first to say that love is our new religion, or to chart the history of changing concepts of love, but his is more than a history, and more than an analysis, of love; it is a polemic. He urges us to redefine and re-evaluate love, which, he says, we have got hopelessly wrong.
