### Performing Tourist Places | Taylor & Francis Group

Performing tourist places Bærenholdt, Jørgen Ole Taking as its starting point the puzzle of why people don't spend their leisure time at home, these writings investigate how tourism takes place once the tourist has found a place in which his or her experience can occur

### Performing tourist places by B&aelig;renholdt, J&oslash;lash ...

This chapter investigates how tourist places are produced through policies, industries, and by building facilities. It aims to question the theoretical assumptions in policy discourses. In the discourse of tourist policies and tourism management, tourist places are normally treated as 'destinations'.

A range of examples will be used to exemplify the ways in which tourism is staged and performed. I will also focus on how the global proliferation of tourist practices and attractions acts to theme tourist space in highly commodified ways and simultaneously decentre normative modes of performing tourism.
