Pert Study Guide (updated 2020) - Mometrix Test Prep

The purpose of Florida's Postsecondary Education Readiness Test (P.E.R.T.) is to adequately assess your academic skills in mathematics, reading and writing through the delivery of three assessments, one for each of these areas. The results of these assessments are used to determine your placement into appropriate courses at your college.

Florida's Postsecondary Education Readiness Test (P.E.R.T ...

Set up a regular study time and place. Be aware of your best time of day to study. Study two hours for every hour you spend in class. Because most math classes are cumulative, it is better to study for a shorter amount of time more often, then to wait until the day before the test. Study math first if it is your most difficult subject. Study with others - you will learn different approaches to reaching solutions.
