Cossacks and their quasi-states such as the Zaporozhian Sich are considered to be responsible for nation-forming processes leading to the establishment of modern Ukrainian nation. However some Turkologists argue that Cumania 's Cossacks are descendants of Kipchaks, who partly originated near the Chinese borders and soon moved to Western Siberia.

History of the Cossacks - Wikipedia

Cossacks, however, were raiding wealthy merchant port cities in the heart of the Ottoman Empire, which were just two days away by boat from the mouth of the Dnieper River. By 1615 and 1625, Cossacks had managed to raze townships on the outskirts of Constantinople, forcing the Ottoman Sultan Murad IV to flee his palace.

Zaporozhian Cossacks - Wikipedia

Our popular notions about the Cossacks tended to portray them as the energetic and rambunctious horsemen of the lower steppe from Russia and Ukraine. And while such a perception also holds true in the historical sense, there was more to these ‘horsemen’ that went beyond their boisterous military scope.
