Tripping Over The Truth Anyway, with the fact that there are at least some valid conspiratorial forces that keep cancer treatments off the market out of the way, let's get to the point. Cancer is mitochondrial cells — the ones

Tripping Over The Truth - VitaminB17.org

Tripping over the truth can be a humbling experience. But with hindsight (you've got to love hindsight), you see that what happened was a gift because it was the start of an important change. The truth you tripped over gave you insight you didn't have before. And the crack that formed became a place for something to grow.
